

Received a note in the mail from the Children's Miracle Network about your participation in donating a portion of your commission to help hospitals helping kids. A very commendable thing to be a part of - proud of you,

Dear Geoff,

From baking cookies, providing us with all those neat boxes for packing our household goodies, to seeing we had a competent lawyer to handle the settlement of the selling of my Ct. condo - - - Thank you !!

We can relax & breathe easily, now.

Thank you so very much.

Sincerely,
 Gina & Charlie Archer

P.S. Also, can't forget how promptly you handled anything we threw at you - Thanks!
